DOCKET NO. SW-02334A-98-0577

PROCEDURAL ORDER**BY THE COMMISSION:**

On February 1, 2000, the Arizona Corporation Commission ("Commission") issued Decision No. 62293 which ordered:

"that Citizens Utilities Company shall file the results of the completion of the preliminary design/updated cost estimate within six months of the effective date of this Decision including: a) the feasibility of a joint facility with the Agua Fria Division including the timeframe for any such joint facility; b) the need for all major elements of its proposed plan (e.g., storage and booster stations); and c) binding commitments from golf courses, public and private, and the terms and conditions related thereto."

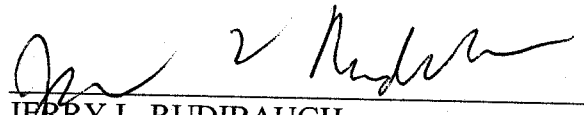

On July 31, 2000, Sun City Water Company and Sun City West Utilities (collectively "Companies") filed a Request for Extension ("Request").

In the Request, the Companies indicated they would be able to timely file items "a" and "b" but would need a three month extension for item "c". According to the Companies, negotiations on binding agreements for the delivery of Central Arizona Project water to golf courses has been going on for months. Further, the Companies asserted the parties are very close to final agreements. As a result, the Companies requested the extension in order to allow time to finalize negotiations.

We find the Request to be reasonable and should be approved.

1 IT IS THEREFORE ORDERED that the Companies Request for Extension is hereby granted
2 and the new deadline for filing binding commitments from golf courses and the terms and conditions
3 is November 1, 2000.
